

Chicken wings

Weight : 70 grams

Dimensions : 85 x 35 (LxW)

Minimal number of Turn Stations : -

Minimal number of Flip Stations : 1

The fully cooked chicken wings are processed in such a way that their juiciness is maintained, yet that the meat can be taken off the bone easily. The color is nice and brown, home-made style.

Other preparations are possible.

Fully cooked 72 °C & color			
Series	6	9	12
