

RHEON[®]

Triple Divider

Stress Free[®]

The Rheon Twin Divider is one of Rheon's most popular machines with over 450 in the craft and artisan market in Europe alone. To give bakers the opportunity to scale up their product with one machine Rheon have introduced the Triple Divider.

The Triple Divider still weighs and cuts each individual dough piece, but now it can be on one, two or 3 lanes depending on size and weight.

Capacity

| SINGLE LANE | TWIN LANE | TRIPLE LANE | TRIPLE DIVIDER |
|---------------------------------------|------------|-------------|----------------|
| 1000kg/hr | 1000kg/hr | 1000kg/hr | CAPACITY |
